Web Site Guide to Post Match Results

Welcome to the SWVA Web site

The SWVA web site performs a number of roles within our organisation. It is for advertising the sport and our services to our members throughout the region. It is also our business server and hence will store all our SW League matches, results and scoresheets etc.

A number of user guides are available to explain how to use the various web site facilities. This guide will explain how to upload your SW Match Results.

If you have not already been given a club user name and club password, then please email the competition secretary.

Posting your match results:

1. First get a password and user name from the Fixtures Secretary

2. Click Post Result Login http://swva.volleyballmatches.co.uk/Login.asp

3. Input your password and user name.

4. Click "Post Results"

5. You will only see matches that have been played.
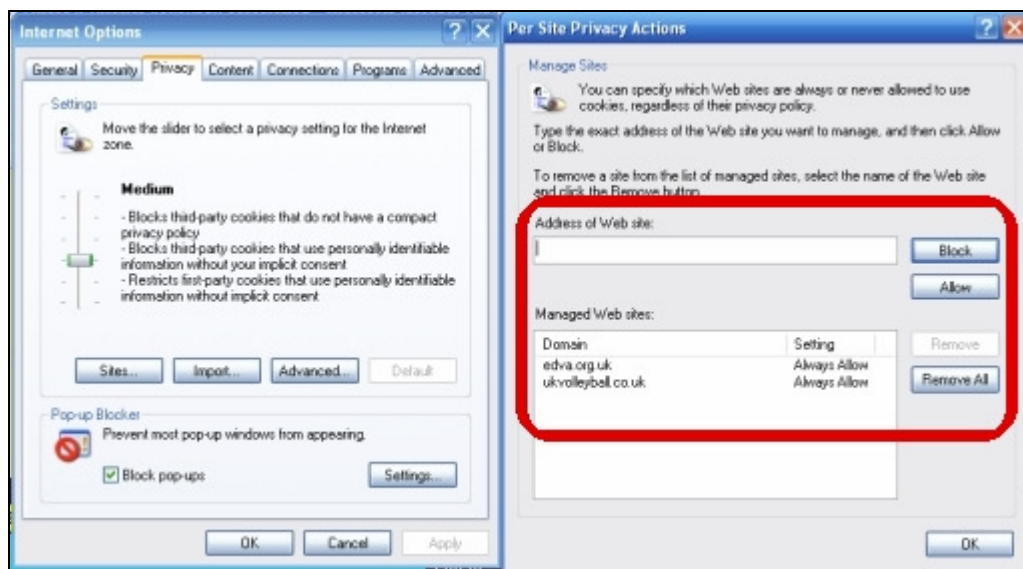

6. Input scores and match report.
