SOUTH WEST VOLLEYBALL ASSOCIATION

HANDBOOK 2010 / 11

I am pleased to provide you with the Handbook of South West Volleyball. It is intended as a year book for our volleyball players and as a general source of information on volleyball in the SW. The SW Volleyball Association is the largest of the Volleyball England regions. It has sustained its growth with the consolidation of local leagues in Poole, Wiltshire, Gloucestershire, Cornwall and Exeter. In the Men's National League Division 1 we are represented by Wessex and in the Women's National League Division 1 we are represented by Devon. Our regional league teams have a hard season in our SW League and to them also best wishes. I hope we will all do our best this season to promote the game of volleyball in the SW and keep this the strongest region in the country.

I hope you find the handbook useful and informative, if you do have any enquiries about volleyball please contact one of our officers or area secretaries listed on the following pages.

Ron Richards, Secretary, SWVA

CHAIRMAN'S INTRODUCTION

Welcome to everybody who is involved with our fantastic sport in the South West. For those of you who are active players, I hope you will enjoy another successful (or just fun) season in the South West. For those of you who are part of our volunteer force, thank you, and please stay involved.

Although the best part of the game is undoubtedly on the pitch, the sport would not exist without all the volunteers that help us. The easiest ones to recognise are right next to the pitch: coaches and referees. Coaches do not just give teams of grown up players a good earful when they deserve it; they also bring young people into the game. Referees are mostly under-appreciated, but without them some games would descend into anarchy.

It is more difficult to appreciate the work of a group of people who are one step further removed from the pitch; somebody who makes sure that we have enough coaches and referees; who organises the courses for new coaches and referees; who organises competitions, youth tournaments, squad training sessions, and who raises the funding to keep many of those activities going. Some of them have run the show for more years than they can remember; and I hate to think what would have happened to Volleyball in the South West if it wasn't for their efforts.

Talking about which... the South West has lost its Coaching Secretary and we are looking for somebody to fill that post. If you have some spare energy, please let any of us know. In addition to that, Kevin Hamblin has left us as Competition's secretary. Kevin, everybody who played in the South West leagues is grateful for your organisational skills (and improvisation talents). I am relieved that Rachel Swindell has stepped in to fill this void. Finally, you will notice a new name at the bottom of this introduction: Graham Pearson has stepped down as Chairman. Graham, many thanks for your long stint at the helm of the SWVA; things would definitely not have been the same without you. I am Chairman for the time being, but anybody with Graham's energy, please apply for the job.

Where next? Onwards and upwards. New southwest and local leagues to look forward to; some teams will be travelling up and down the country to play nationally, and, the Olympics in London are less than 2 years away...

Henk Muller, Chairman SWVA

VOLLEYBALL - AN INTERNATIONAL SPORT

This article is taken from the FIVB website <http://www.fivb.ch>

Volleyball has come a long way from the dusty-old YMCA gymnasium of Holyoke, Massachusetts, USA, where the visionary William G. Morgan invented the sport back in 1895. It has seen the start of two centuries and the dawn of a new millennium. Volleyball is now one of the big five international sports, and the FIVB, with its 220 affiliated national federations, is the largest international sporting federation in the world.

Volleyball has witnessed unprecedented growth over the past few years. With the success of world competitions such as the FIVB World Championships, Olympic Games, the US\$20 million FIVB World League, FIVB World Grand Prix, FIVB World Cup, and FIVB Grand Champions Cup the level of participation at all levels internationally continues to grow exponentially.

The Beach Volleyball phenomenon also continues to amaze. The overwhelming spectator and television success of Beach Volleyball since its introduction to the Olympic Games at Atlanta 1996 and the stunning success of the SWATCH FIVB World Tour and SWATCH FIVB World Championships has opened up Volleyball to a completely new market.

The FIVB Men's and Women's World Championships are the biggest and the best – a truly global competition every four years. An astonishing 215 men's and women's national teams registered to take part in the 2010 event. The first FIVB Men's World Championship, held on a repurposed outdoor tennis court in Prague, Czechoslovakia, in 1949 was for all practical purposes a European Championship, with all 10 teams from Europe. From these humble beginnings started one of the great competitions and traditions in international sport. The current World Champions (as at September 2010 are Brazil Men and Russia Women).

The sport of Volleyball has two Olympic disciplines: Volleyball and Beach Volleyball. Volleyball made its Olympic debut at the 1964 Tokyo Games and Beach Volleyball made its Olympic debut in Atlanta in 1996. The International Olympic Committee adopted Volleyball as a non-Olympic sport in 1949. Eight years later, on September 24, 1957, the IOC session in Sofia recognised Volleyball as an Olympic sport and FIVB as the sole worldwide Volleyball governing body in all its disciplines. In 1961, Volleyball was added as a medal sport for men and women at the Tokyo Games in 1964. At Beijing in 2008, USA [Men](#) kept the momentum from their FIVB World League triumph in Rio in July 2008 in their run to the gold-medal match, where they beat 2004 Athens champions Brazil for their first Olympic title in 20 years. Their [female](#) compatriots surprised many with their own run to the final and but for the world No. 1 Brazilians – as close to perfection as could be throughout the tournament, dropping just one set in the final to USA – it would have been a golden sweep for America.

VOLLEYBALL IN ENGLAND

Volleyball England is the recognised National Governing Body for Volleyball, Beach Volleyball and Sitting Volleyball in England. Volleyball England is responsible for the development, promotion and delivery of Volleyball across England.

Prior to the English Volleyball Association, the Amateur Volleyball Association of Great Britain and Northern Ireland (AVA) was in existence from 1955. In 1968 the AVA was disbanded to make way for separate English, Scottish, Welsh and Northern Ireland Volleyball Associations.

Contact on a UK basis has been maintained through the British Volleyball Federation (BVF), which is the body now responsible for delivering a GB Programme leading up to the 2012 Olympics.

The Whole Sport Plan for Volleyball has set ambitious targets for the expansion of its membership. This includes an increase in affiliated Clubs, of qualified, registered and active Coaches and Referees, of Volunteers and of players of all standards and ages irrespective of gender and background.

Volleyball England has a team of Professional Staff at Head Office who are responsible for the delivery of key objectives of the Whole Sport Plan on a day to day basis. This includes a team of officers focussing on the Whole Sport Plan facets of Club Development, School Club Links, Coach Education and Volunteer Development as well as officers responsible for Communications & Promotions, Events & Competitions, and an Administration team that provides support to all areas of work.

Volleyball England's head office team is supported and directed by a voluntary Executive Board, Management Committee and Commissions.

The main sources of finance for Volleyball England are an Exchequer grant for the Whole Sport Plan delivered via Sport England, membership fees from clubs, individual referees and coaches, competition fees, coaching course fees and some limited sponsorship income. For season 2010 / 2011, the club affiliation fee is £80 for a club with both senior and junior players, £45 for a senior club not previously affiliated, £35 for junior clubs.

Affiliation forms may be obtained from Ron Richards, Secretary SWVA, r-richa7122@aol.com or from the Volleyball England website – www.volleyballengland.org. In return for affiliation the club receives regular bi-monthly copies of 3 Touch and other mailings which includes information on international matches, tournaments, and is covered by the EVA public liability insurance. Membership enables that club to enter local regional and national leagues and tournaments. Membership of Volleyball England automatically provides membership of the regional association who produce further information on a regular basis. In the SW all registered players receive copies of the newsletter each year.

VOLLEYBALL IN THE SOUTH WEST

AFFILIATED CLUBS IN THE SW

For many years the SW Region has been the largest of the EVA regions. On the following pages there is a list of affiliated clubs in their counties. We have continued to use the pre-1996 local government boundaries to identify a club's home county – the new unitary authorities are not used – we would welcome comment on this. Every effort has been made to ensure that the addresses are up to date. If you have any difficulty in contacting them please ask the Regional or Area Secretaries for help.

JUNIOR VOLLEYBALL

The future of Volleyball depends on the success of its junior development policy. In recent years Volleyball England has done much to raise awareness of Volleyball amongst young people, their teachers and youth leaders.

Volleyball England is promoting Junior Development under the banner of the:

• ***Let's Play Volleyball programme***

The *Let's Play Volleyball* programme offers an excellent developmental vehicle that is well suited to the developing child and adheres to the principles of the early stages of Long Term Player Development (LTPD) as well as satisfying the requirements of the National Curriculum for Physical Education. The programme is built upon a strong philosophy that embraces the holistic development of young people and has elements for playing, coaching, refereeing, leadership and competitions:

- Volley Sport
- Mini Volley
- Super Mini Volley
- Skills Awards
- Young Volleyball Leaders Award
- Young Volleyball Referees Award
- Competitions

For contact on Schools & Youth Development please view the EVA website, www.volleyballengland.org.uk

Mini volley

It is recommended that young children be taught to play volleyball in small sided games, starting with two a side, which can be introduced to children in primary schools and taken on into Key Stage 3 in secondary school, where the game can progress through 3 a side and 4 a side. A badminton court is a suitable playing area. Mini volleyball tournaments are played frequently in the SW – in particular in the Grand Prix series.

Grand Prix

The Grand Prix is an event series for 11 – 14 year olds which takes place over the winter months. The event is designed to be accessible to all young players it is not designed as an elite event.

This season we are trying a new format of Grand Slam events and small peripheral events. All the events contribute to the Grand Prix points but Grand Slam events count for double points. Any club or school registered with the EVA may apply to run a peripheral event.

We would encourage players to enter as part of the process of learning volleyball. Details of GP events can be found on the website.

For further information email Dave Walrond the South West Grand Prix Manager "David Walrond" <dc.walrond@ntlworld.com>,

Grand Prix Dates

The Grand Prix events take place at Hutton Moor Leisure Centre, Weston Super Mare.

9th October

6th November

4th December

29th January

Entry forms available on the calendar section on the SWVA website: www.swva.org.uk

Junior Referees

As part of the process of learning to play volleyball young players are encouraged to learn how to referee the game. This leads to a better understanding both of the game itself and the skills of the referee. The EVA offers a junior officials award. This award is available to be delivered by schools and clubs.

Young people playing in Grand Prix events have the opportunity to practice and improve their refereeing and scoring skills.

Award Schemes

EVA Bronze, Silver and Gold Award Schemes, are available and are well suited to school or club or youth club use. Full details available from the EVA (address above).

Volleysport Cards and Mini Volley Cards

These are resources which have been developed by the EVA to help those introducing the game to young players. The cards are well presented in a laminated A4 format and are available from the EVA Office at the cost of £20 for members and £30 for non members.

Local Contacts

If you require further information about junior volleyball in your area please contact your area secretary or the SW Junior Development Officer: Ros Sutherland ros.sutherland@gmail.com

Schools and Junior Club Affiliation

It is important that schools and clubs are affiliated to the English Volleyball Association. Apart from the essential insurance which comes with affiliation it is the only way, other than word of mouth, that we know who is playing volleyball. We are able to communicate with affiliated clubs and keep them up to date with what is happening in the world of volleyball. There has been enormous change in the last 6 months and we want everyone to be informed of opportunities that may arise for players and clubs.

Unaffiliated schools and clubs are not eligible to enter the South West Grand Prix or the South West Junior Championships.

SW Junior Championships

We offer two Championship Competitions

U12 – U14 Mini Volley Championships (3 v 3) and Under 15 / Under 17 Championships (6 v 6)

South West Junior Championships 2010/2011

U15 / U17 Championships February 5th Christie Miller Sports Centre, Melksham

Minivolley Championships March 19th Sir David English Centre, Bournemouth

Entry forms will be available on www.swva.org.uk

EVA Qualification Tournaments

The EVA offer a number of National Junior Events. The Junior KO Cup (U16 & U18) is administered by Volleyball England and entry forms are available for affiliated clubs from them.

The National Under 14 and Under 15 competitions are by Regional Qualification - teams progress through the South West Junior Under 14 Qualifiers and the Under 15 Championships.

Sometimes there are other age group National competitions. Affiliated Clubs in the region will receive information about these events.

Publicity for Junior Events

If you are organising a junior event please send details of the event to the "Time Out" editor Ron Richards, Richa7122@aol.com

JUNIOR EVENTS

This guide has been compiled to help those of you who may be organizing events for the SWVA. If you would like to add ideas to this guide please let us know.

A Guide for Organisers

PLANNING

1. In order to advertise in time for teams to respond, dates for events need to be organised for the whole winter season as soon as possible after the summer break. The dates of summer events need to be decided before Easter
2. Events can be advertised through the 'South West Junior Forum' and 'Time Out' as well as other chosen means.
3. The date of an event should be cleared with the Junior Development Officer to avoid clashes on the Junior Calendar.

FINANCE

1. South West Volleyball Association events need to be self financing.
2. There may be grants available for certain events. This can be checked with the SW Competitions Secretary and SW Treasurer.

ENTRIES

1. Age Groups. To play in an Under 12 event, the competitor needs to have been under 12 years old on August 31st of the school year in which they become 12. Usually an Under 12 player would be in year 7. The same logic applies to the other age groups.
2. In championship events, players may enter events at more than one age group: so that under 12's could also play at under 13 and so on..... but only when these events are held on different occasions.
3. In championship events, teams should consist of players who normally play with those clubs/schools.
4. All teams taking part in South West Events must be affiliated to the EVA.

RULES OF PLAY

1. South West Volleyball Association events play by the EVA rules of play unless otherwise stated.
2. Tournaments may be run with timed matches or sets. The organiser of the event is free to choose. In the case of an official event the format should be decided in liaison with the J.D.O.
3. The format of events should be publicised in advance of the event.
3. Catch Push may be allowed but not in South West Championship events. Where catch push is allowed, state this on the entry sheet.
4. The court sizes should follow the EVA guidelines where possible.
5. Playing the ball with the legs or feet is a fault until Under 15, 6 v 6 events.
6. Where badminton courts are used tape a centre line on the floor. This is to help to avoid accidents caused penetration under the net.
7. In timed events it is preferable to stop play when the hooter sounds and end on the previous score.

ORGANISATION

1. To avoid confusion, it helps to have a system whereby a score slip is filled in at the end of every game. The score slip should be signed by both team captains. It is usual for the winning team captain to then take the slip to the score table. If there are any disagreements the tournament organiser should be notified at this time. Write the details of the dispute on the back of the score slip. The decision of the tournament organiser is final.
2. After the event, send an event report to the editor of Time Out and the EVA Junior Newsletter for publication.
3. When writing entry forms remember to include the closing date, to whom cheques should be paid, the competition date and starting and ending times, the venue, the age groups and divisions, the cost, the name and address to which the forms should be returned. Ask for organiser details and a home and work phone number.

SAFETY

1. The following items should be clearly available at every South West Junior Event.

First Aid Kit

Phone

Ice Packs or similar

Drinking water

2. There should be a person with up to date First Aid Training present.

3. Print the phone number and address of the venue on the entry form so that it can be given to the competitors by their team organiser.

4. Referees must bring their own whistles. In events where teams take turns at refereeing a reminder about this should be added to the pre tournament information.

5. Players who are Under 16 must be accompanied by a responsible adult.

6. Give clear instructions about the stowage of bags and personal property so that the playing areas are kept safe.

BALLS

1. The choice of balls for a competition is the choice of the tournament organiser. The most common choices are:

Leather balls at under 15 years

Lightweight balls at under 13 and under 14 years

Butterfly or other very light balls for the younger age groups.

Players are not allowed to change the ball choice of the tournament organiser.

Where there is no specified choice and teams are in disagreement the lighter weight balls will be used. Players are not allowed to make these choices without an adult from both teams being present.

OFFICIALS

1. Young people often referee junior events. Teams should ensure that any young person refereeing or scoring is competent. Ideally, young people should hold at least the EVA Junior Referees Award.

2. Young people should not referee the finals of Championship events unless they hold at least the EVA Junior Referees Award.

BEACH VOLLEYBALL

Hello SWVA members,

Please let me introduce myself, my name is Denise Austin; in June 2008 I became the SWVA Beach Volleyball Officer.

My main area of focus is Junior Beach Volleyball and we have established over the past three years the SWJBT (South West Junior Beach Tour) www.swjbt.co.uk

My mission statement to the SWVA and all the members for beach volleyball would be 'more'. More junior beach volleyball competitions, more beach volleyball coaches, more beach volleyball referees, more indoor beach venues, more indoor beach leagues, more permanent beach volleyball courts man made and on the beaches.

Through 2010 the following took place

- 1) SW JBT South West Junior Beach Tour, on similar line to the VEBT
- 2) First British Colleges Invitational Beach Volleyball Cup
- 3) SWVA satellite training centres, with coaches working with junior beach players on a regular basis to give them more instruction into beach volleyball in Croyde and Bournemouth
- 4) SWVA regional beach volleyball training camps during the summer in Croyde and Bournemouth
- 5) Volleyball England Beach Referee Course to qualify more beach referees aged 16+, held at Bath Uni.

As well as numerous beach volleyball events take place in the SW region some of which were part of the VE Beachfest series.

For 2011 we will be looking at the scale of the SWJBT and making sure we have greater impact in possibly less events but with more children taking part.

The Finals will be held at the Animal Windfest in Sandbanks in September 2011

The age groups will be U12/U14 (2 or 3 a side) and U16/U18 girls and boys 2-a-side.

The North Devon College has become an accredited delivery centre for UKCC Level 1 and in the spring/summer the aim is to deliver a UKCC level 1 coaching course on the beach.

Massive thanks must go to Dave Reece, Volleyball Newsletter and the Torexe Club for their extremely kind donation to help keep our junior beach events healthy.

Ali West, Steffen Paessler and Anthony Roberts have done sterling work over the past summer in collecting all the information for the SWVA Junior Beach Volleyball pages of the www.swva.org.uk web site, please keep checking in for the latest news.

Beach Volleyball in the UK and all the relevant competitions, the beach commission and members can be accessed through the EVA website www.volleyballengland.org

I now sit on the S&Y commission and we have integrated the beach volleyball framework into VE for schools and regional/national competition. I am also now sitting on the performance commission to help assist Leo Trench the Talent Development Officer from VE to develop a performance pathway for junior beach volleyball

If you would like to help develop our junior beach volleyball please contact me, we are always keen to have new help and ideas.

Amy listing for Adult beach volleyball events can also be added to our WebPages.

Please contact Denise on 0777 33 82 305 or denise@beachvolleyballinc.com

COACHING

VOLLEYBALL ENGLAND COACHING AWARDS

Volleyball England provides a variety of award courses for those wishing to become coaches. Level I courses are held regularly in the South-West. Level II courses are run less frequently but with the need for continuing professional development and the coaching rules for NVL teams it is hoped that demand for this level of course will rise. Level III courses are usually run on a national basis, and therefore there may not be a course in the region in a year.

VolleySport

This 4-hour course is designed for teachers with little or no experience of volleyball working at Key Stage 1 and 2 or coaches working with groups starting volleyball for the first time. The course aims to introduce candidates to the fundamentals of movement and sending/receiving skills through the development of basic tactical concepts for attacking and defending. Modified games of 1 v 1 and 2 v 2 are explored using a set of specially designed activity cards. With a strong emphasis on teaching methodology creative approaches to improving leadership skills through communication, use of rules, equipment and group/session organisation are explored. The course is not examined and an attendance certificate is awarded to those who complete the course.

Mini-Volley

This 4-hour course is primarily aimed at secondary teachers (KS 3) or coaches who have an existing Level 1 Award or who have previously attended the VolleySport course. It offers an opportunity for candidates to progress knowledge and understanding by developing the 3-a-side (Mini-Volley) format of the game. As the tactical complexity of the game is developed new skills are introduced providing a selection of possible solutions to the challenges that are encountered. The course is not examined and an attendance certificate is awarded to those who complete the course.

Super Mini-Volley

This 4-hour course is primarily aimed at secondary teachers (KS 4) or coaches who have a Level 1 Award or who have previously attended the Mini-Volley course. It provides the key link in the transition from small-sided games to the full 6-a-side version. Skills are advanced further in the context of a number of 4-a-side versions of the game that are used to introduce and explore a selection of tactical possibilities from both an attacking and defensive perspective. The course is not examined and an attendance certificate will be awarded to those who complete the course.

Volleyball Leaders Award

The Volleyball England Leaders Award is a 6-hour course has been developed by a team of practitioners working in schools and volleyball clubs, with the aim of providing potential young leaders with a basic knowledge of volleyball, and developing the skills and confidence to introduce and develop aspects of the game safely. The ability to officiate and organise small-sided games, events and tournaments is also recognised as an essential element of sport leadership that needs to be developed in young people. This award forms an integral part of the Volleyball England 'Lets Play Volleyball' National Youth Initiative and complements other opportunities including officiating, festivals, camps, teacher training and skills awards. The course is not examined and an attendance certificate will be awarded to those who complete the course (if an award pack is purchased for each candidate).

UKCC Level 1 Coaching Award

This is the basic introductory coaching award and is a minimum of 16 hours delivery plus an assessment day. The course aims to enable the coach to assist in the introduction of volleyball to a group of inexperienced adults or children in a safe, controlled and enjoyable manner. Knowledge and understanding of tactics and skills is developed through a progression of small-sided games based on three modules that address the VolleySport, Mini-Volley and Super Mini-Volley formats (see above). Opportunities are provided for candidates to build their experience of practical coaching in a group setting.

Volleyball England Level 2 Coaching Award

The Level 2 award is a minimum of 24 hours of delivery **(please note an additional day for assessment will be added as of 1st October 2010)** and it prepares the coach who has some experience of competitive volleyball to plan, organise, and deliver a series of volleyball sessions in a safe and enjoyable manner to a group of adults or children. The course focuses on the development of basic tactics for the 6-a-side game and progresses the basic techniques and skills that were introduced at Level 1, with some introduction of specialist roles. Opportunities are provided for candidates to further extend their experience of practical coaching in a group setting and assessment is completed by a formal written examination.

Volleyball England Level 3 Coaching Award

The Level 3 Award is a minimum of 32 hours and prepares the experienced coach to deliver a programme of training sessions aimed at improving the technical and tactical performance of individual players and a team over a series of matches (season). The course also covers; game analysis and evaluation of performance, short, medium and long-term planning of training and competition, physical and psychological development of individuals and teams and coaching methodology. Opportunities are provided for candidates to extend their experience of practical coaching in a group setting and assessment is completed by formal written examination and group project work.

Coaching Courses for Teachers

Volleyball England offers a number of non-examined courses delivered with the teacher in mind. Adapted versions of VolleySport, Mini-Volley, Super Mini-Volley and Level 1 are available and all make clear links to national curriculum programmes of study and end of key stage statements. An attendance certificate will be awarded to those who complete the course.

COACHING IN THE SOUTH WEST

The South West Association is pleased to offer its services to clubs or area associations. Where there is sufficient interest to indicate a satisfactory response course at any of the course levels can be arranged. Request for coaches or for information regarding coaching courses can be made to the SW Secretary, Ron Richards (address at front of the handbook). Coaches are advised to register with the EVA so that they may offered coaching appointments and keep up to date with coaching articles featured in the EVA publications.

SW COACHING SECRETARY

The SWVA Coaching Secretary is currently vacant and we would be pleased to hear from anyone interested in taking up the post. If you have coaching queries please contact the SWVA Secretary: Ron Richards, r-richa7122@aol.com.

Referee Code of Conduct is available at:

<http://www.volleyballengland.org/Refereeing/Referee-Services/referee-code-of-conduct.php>

Administration and assessment of Referees is controlled by the Volleyball England Referee Commission, which supports the appointment of Regional Official's Secretaries to arrange courses and promote refereeing on a local basis. The Referee Commission also allocates National Volleyball League (NVL) matches to officials and, through Staff Officials, performs development and grading of officials.

REFEREE TRAINING

Referee training is managed on behalf of the Volleyball England Referee Commission, through the following:

Training Director - Responsible for overall management, direction and policy for Referee Training.

NVL Assessment Co-ordinator - Responsible for the Referee Assessors and collation of NVL Referee

assessment reports from staff and senior Referees.

National Training Co-ordinator - Responsible for supervising the regional Training Co-ordinators. Also responsible for ensuring the provision of clearly defined continuity of education and training, from initial qualification through to senior levels. The National Training Co-ordinator (Stewart Dunne) welcomes contact from anyone interested in further details about any matters related to Referee Training, both nationally and in the South West.

Regional Training Co-ordinator - Responsible for ensuring that consistent strategies and best practice for Referee training are applied across their region (North, Midlands and South).

If you would like organise a Grade 4 course in your area, or want to request an assessment for Grade 3R, contact either the Referee Development Commissioner, Diane Hollows di Hollows.volley@btinternet.com

or the Staff Commissioner: Denis Le Breuilly dleb@psilink.co.uk

or the regional 'focal point' for referee development and support in the SWVA area Andy Worrall andy@worralls.info

If you are looking for a Grade 4 referee course, available courses are detailed at:

REFEREE REGISTRATION AND MONITORING

To help with the maintenance of accurate records of activity and ensure that matches can be allocated efficiently, all qualified Referees are encouraged to register with the English Volleyball Association annually - (see: http://www.volleyballengland.org/Refereeing/Referee_Services.php for further details). In return for registration, Referees will receive regular newsletters and are kept up-to-date with rule changes and other developments. Registered officials also receive a licence/activity card, information on courses and training opportunities and consideration for appointments to NVL matches; they are also covered by a non-contributory insurance scheme.

Referees for the higher divisions of National League are appointed directly by Referee Commission; any Referee wishing to be considered for such games should contact the Commission before the end of April for matches during the following season.

All Referees on the NVL panel may be assessed at any time; Referees at Grade 2 and above may be required to attend special clinics biennially, and may also be required to pass a written examination. Volleyball England officials are expected to abide strictly to the relevant Code of Conduct.

ACCELERATED PROMOTION SCHEME

By special application, a player (or coach) with significant experience of National League Volleyball may be considered for accelerated training; in such cases it may be possible to attend only one day of the Grade 4 Course, in order to sit the theory examination. It may also be possible to shorten the normal period of qualification for Grades 3R, 3N, 2 and 1 – although it should be noted that the same standards of competence, and the same pass marks, will be required. For further details please contact the National Training Co-ordinator.

SOUTH WEST REFEREE BUDDY SCHEME

Buddying (or 'mentoring') is an integral process used worldwide, where one person helps another to grow and develop new skills and attitudes. The SWVA intends to offer any registered Referee a buddy or 'helpful friend' to provide whatever assistance they require with their personal development as Referees. The buddy will be a qualified Referee who will have more practical experience and, ideally, be of a higher grade. The intention is that the buddy would make occasional contact and be available to answer questions on the laws of the game and also, more helpfully, to talk through incidents and strange game situations. In some instances it is hoped the improving Referee will be seen by the buddy or may Referee with them. The idea is in embryonic form and will be modified to suit those who indicate a desire to be involved.

There are four key categories that encapsulate the roles a buddy will perform, as follows:

- Coach (e.g. by showing how to do a task or activity)
- Counsellor (e.g. by helping the learner to explore the consequences of potential decisions)
- Networking (e.g. by referring the learner to others when the buddies experience is insufficient)
- Facilitator (e.g. by creating opportunities for learners to develop and use new skills)

Anyone interested in either being a buddy, or in being assigned a buddy to improve their skills as a Referee, should contact Andy Worrall: 12 Lilliput Avenue, Chipping Sodbury, Bristol, BS37 6HX Tel: 01454 320903 (or e-mail: andy@worralls.info)

The SWVA intends to maintain an up-to-date register of active (qualified) but not Volleyball England registered referees in the South West region. Any referees that would like to be included in this list or anyone who notices any errors in the information provided should send their details to Andy Worrall.

SOUTH WEST COMPETITIONS

SW LEAGUES 2010/ 2011

Please note that an application to join the National League must be submitted to the EVA by the team concerned. There is no automatic promotion to NVL. The SWVA Leagues act only as a medium whereby SWVA can make a judgement as to the playing standard and integrity of a prospective NVL member. A team's league position and quality of administration will be reported to the EVA Competitions Commission as evidence of the suitability of that club for NVL. Clubs are reminded that it would be wise to make early contact (September) and regular subsequent contact with the EVA to check on entry requirements. The closing date is normally late February / March.

Commitment

It is essential for all entrants to fulfil all their league commitments. Would all teams, especially those with other commitments e.g. National League, please ensure that they have adequate resources — players, venues, finance etc. Efforts are made to avoid clashes with National League games or other unavailable periods, if known in advance, but this cannot be guaranteed and some clashes are inevitable. Any changes to fixture dates should be made immediately after receiving the draft fixture schedules to minimise inconvenience. All amendments must be approved by the teams concerned and the Competition Secretary.
