

Hi <<First Name>>,

A quick November newsletter update to highlight a couple of events happening around the region.

We still have our GoToMeeting account which is available for anyone to use. As well as AGM's and club meetings, we are also beginning to see a number of clubs using it for training and coaching items, team and squad get togethers. Details below.

Regards

Dave Reece

We have no idea what the future holds or what T&C's will exist for running SW Junior Training events after the current English lockdown period ends. We have however booked a number of training sessions for December, see the calendar for details and how to book a space.

Thank you to everyone who have held on to their unused tickets from the cancelled November sessions, this has saved us about £120 in commission payments. You can use the code for any training session this season, to use, please enter the Ticket code / Voucher code into the "Do you have a promo code" box on the checkout form, this will reduce the fee from £15.00 to £0.00.

Tickets and times for the 19th December training session have now been released, please see the calendar or our Ticket Taylor events page for details.

Want to know a bit more about volleyball?

On Thursday evening I am running a session, for my club, for parents and/or players new to the sport. There will be a small section about Wessex VC however the vast majority will be about the sport.

As there is no limit on the number of people who attend I thought I'd open it up to those in the SW training programme. So, if you want to know a bit more about the sport (game around the World and in England, basic rules, tactics, terms, etc) please join the meeting, details below.

‘Guide to Volleyball’ session from your computer, tablet or smartphone.

SW Ladies POM Award Mijke Van Der Zee

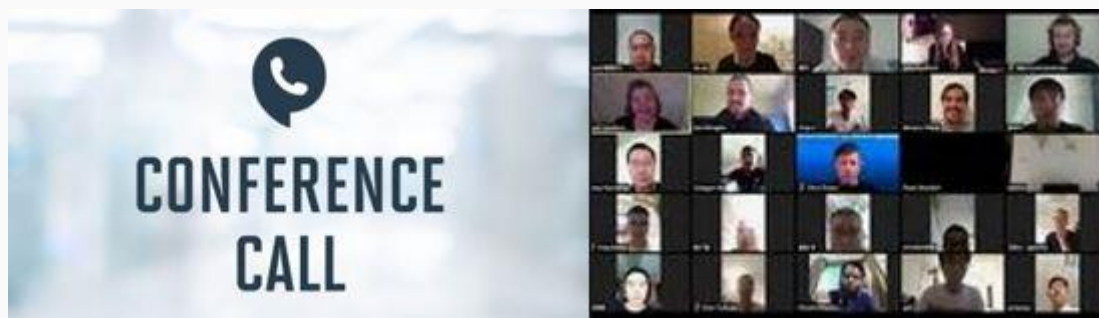

Although the 2019-20 SW League season finished sometime ago, we are still catching up with some outstanding business. This week we were able to catch up with Mijke Van Der Zee (Torexe VC) with her SW Ladies Player of the Match award.
