The SWVA has also entered this year's U19 Commonwealth Beach Volleyball Cup 13-14th August (Cardiff Beach centre), hence we are looking to select players for the team. We will be playing against regions from around the UK & Ireland: Ireland, Northern Ireland, Scotland, Southeast, South & Wales. This is a slightly older age group event than the recent IRB event, U19 means if you were born 1/1/2004 or later, you qualify, so please get involved.

Coach Required – Cardiff University women's volleyball team

Cardiff University women's volleyball team are looking for an enthusiastic coach who would lead the team next season in their journey through the Premier League. This year they competed in BUCS league division 1 and were unbeaten all season resulting in a promotion to the top division. They also competed in the Volleyball England Student Cup and got further than any other team before them, landing with a 4th place finish.

It would be great if you are an experienced volleyball coach but that is not a requirement as the current coach, Conor Robin, is available until October to bring you up to speed with the team and give you some coaching tips. At the moment training is once a week, normally on a Tuesday in Talybont Sport Centre, but this is subject to change.

If you are interested, please contact the following for more information on payment and training times:

Coach: Conor Robin

Captain: Karolinka Bacakoca
